

SAFETY WARDEN

A SAFETY COMPLIANCE & TRAINING PLATFORM

Is your campus 100% Health & Safety compliant?

HEALTH & SAFETY AUDIT FOR SCHOOLS & COLLEGES

WHY THIS MATTERS

- Parents, boards and regulators expect campuses to be safe, compliant and resilient.
- New Indian regulations — from the OSH Code 2020 to the Digital Personal Data Protection Act 2023 — demand structured, documented safety practices.

2 DAY ON-SITE AUDIT

Using a 150+ point checklist covering 40 domains — Policy, Risk assessment, Emergency planning, First-aid, Stress & wellbeing, COSHH, Electrical safety, Fire protection, Play & Sports, Transport, Lifts, Swimming pool, etc.

RISK-SCORED REPORT

with clear action priorities

ACTION PLAN

Practical action plan mapped to statutory requirements

BENEFITS TO YOUR INSTITUTION

- Demonstrate regulatory compliance and inspection readiness
- Reduce fire, health and legal risks
- Build parent and stakeholder confidence
- Receive an independent gap analysis to guide improvements
